The following guide walks you through connecting to the eduroam WiFi using Windows 10.

**Note:** This documentation was created using a Windows Surface tablet.

1. Click the **WiFi icon** from the system tray in the lower right corner of the screen.

![Figure 1 - Click WiFi Icon](image1)

2. The list of available wireless networks appears. Click **Wi-Fi** (See Figure 2).
3. Click **eduroam** (See Figure 2).

![Figure 2 - Click WiFi, then click eduroam](image2)

4. Click **Connect**.

![Figure 3 - Click Connect](image3)
5. The *Windows Security* window will open. Enter:
   a. **NetID** (See Figure 4)
   b. **NetID Password** (See Figure 4)

6. Click **OK** (See Figure 4).

![Figure 4 - Enter NetID and Password and Click OK](image)

7. You will be asked to verify the connection. Click **Connect**.

![Figure 5 - Click Connect.](image)

8. You are now connected to the eduroam WiFi.
