Introduction
This document has been developed to introduce you to Kennesaw State University’s learning management system, D2L Brightspace – Daylight Experience. This document will help you to learn how to use the different features within D2L Brightspace.

D2L Brightspace – Daylight Experience can be used as a small component of a traditional course, such as to submit papers and check grades, or it can be used in a course where everything occurs completely online.

Objectives
After reading this document, you will be able to:

- Access D2L Brightspace – Daylight Experience
- Understand the Home Page
- Use the Calendar tool
- Use the Email tool to read and send messages
- Use the Content tool
- Understand the features of the Assignments tool
- Participate in class discussions via the Discussions tool
- Take an online assessment via the Quiz tool
- Check your grades in the Grades tool
- Use the Locker tool to store files
- Log out of D2L Brightspace
- Understand the system requirements of D2L Brightspace
Accessing D2L Brightspace
The following instructions explain how to access D2L Brightspace – Daylight Experience:

1. In an Internet browser, go to the following website: http://d2l.kennesaw.edu.
2. Click Login to KSU D2L Brightspace.
3. Type your NetID Credentials (See Figure 1).
4. Click Log In (See Figure 1).

5. You will be taken to the My Home page.

Figure 1 - Click Log In

Figure 2 - The My Home Page
The Home Page

The My Home page is the main landing page for D2L Brightspace. The following section walks you through the various features of the My Home page:

The MiniBar

The MiniBar provides consistent access to courses, alerts, and personal settings, no matter where you are in D2L Brightspace. The following explains the available features on the MiniBar:

1. **My Home** - Clicking My Home will take you back to the main homepage (See Figure 3).
2. **Course Selector** – The course selector drop-down provides access to your courses. (See Figure 3).
3. **New Email Alert** - Gives direct access to new emails and your mailbox. An orange dot on the Message alerts icon indicates new emails (See Figure 3).
4. **Update Alerts** – Indicates you have new announcement items, a new grade has been posted, and upcoming due dates for items not completed (See Figure 3).
5. **Subscription Alerts** – Indicates that there are new posts to topics and forums that you have subscribed to in Discussions (See Figure 3).
6. **User Settings** - Clicking your name on the far right of the MiniBar expands the user settings menu. This menu lets you set up your personal profile, email and text notifications, and account settings. You can also go here to logout (See Figure 3).
7. When click the Course Selector, you can also pin courses so they remain at the top of the list by clicking the Pin icon.

Profile

The following explains how to adjust your profile:

1. From the D2L Brightspace My Home Page Minibar, click User Settings.

---

Figure 3 - The MiniBar

Figure 4 - Click the Pin icon

Figure 5 - Click User Settings
2. Click **Profile** from the drop-down list.

![Figure 6 - Click Profile](image)

3. The **Edit My User Profile** screen will appear. Enter any information that you wish to share with others.

![Figure 7 - Edit My User Profile](image)

4. Click **Save and Close** in the lower-left area of the screen to return to the D2L Brightspace **My Home** page.

![Figure 8 - Click Save and Close](image)

**Notifications**

The following explains how to locate the settings for **Notifications**:

1. From the D2L Brightspace **My Home Page** Minibar, click **User Settings**.

![Figure 9 - Click User Settings](image)
2. Click **Notifications**.

![Figure 10 - Click Notifications](image)

3. The *Notification Settings* screen appears. Here, you can do the following:
   a. Have notifications sent to your email by clicking **Change your email settings** (See Figure 11).
   b. Have notifications sent to your mobile device by clicking **Register your mobile** (See Figure 11).
   c. Adjust the settings for notifications in the following three categories located on the screen: *Summary of Activity, Instant Notifications, Customize Notifications*, and *Exclude Some Courses* (See Figure 11).

![Figure 11 - Notification Settings](image)

4. Click **Save** to return to the *My Home* page.

![Figure 12 - Click Save](image)
Account Settings

The following explains how to locate the Account Settings from the MiniBar:

1. From the MiniBar, click the User Settings.

2. Click Account Settings.

3. The Account Settings screen will appear with options to adjust the Font, Dialog, HTML Editor, Reading Content, Video, and Locale & Language settings. Make your desired changes.

4. Click the Save and Close button in the lower-left area of the screen to return to the My Home page.
Announcements

Any information (e.g. system downtime, updates, announcements, etc.) about the D2L Brightspace system will be provided in the Announcements widget:

![Figure 17 - The Announcements](image)

Dismissing Announcement Items

You may dismiss Announcements by clicking the X, located at the top right hand corner of the announcement.

![Figure 18 - Dismissing Announcements](image)
Restore Dismissed Announcement Items

The following explains how to restore an Announcement item that has been deleted:

1. Click Announcements to enter the Announcements tool.

![Figure 19 - Entering Announcements Tool]

2. The Announcements tool will appear and display all active and dismissed Announcement items. Click the drop-down arrow next to a dismissed Announcement item (See Figure 20).

3. Click Restore. The Announcement item will be restored to the My Home page (See Figure 20).

![Figure 20 - Restoring an Announcement Item]

Note: Announcement items in your course can be dismissed and/or restored using the same process.

Accessing Your Courses

The following explains how to access your courses in D2L Brightspace:

1. From the MiniBar, click the Course Selector (See Figure 21).
2. A list of courses will appear. Click the course of your choice (See Figure 21).

![Figure 21 - The Course Selector]
3. You will be taken to the *Course Home Page*.

![Image of Course Home Page](image)

**Figure 22 - Course Home Page**

**Important Information about Course Access:**

- Even if you registered during Early Registration, your courses will not be visible in D2L Brightspace until the official start date of the semester.
- During Add/Drop, after you register, it will take **24-48 business hours** for your course access to become available in D2L Brightspace.
- If you drop a course, that course will remain in your list of courses in D2L Brightspace for a few days before you are removed automatically.

**Calendar**

You can use the calendar in D2L Brightspace to view important dates for your class. If your instructor chooses to do so, they may include to show events on the calendar, such as exams, **due dates for important papers**, office hours, etc. You can also keep a “to-do list” in the task area to help you stay organized throughout the semester. The following explains how to use the calendar in D2L Brightspace:
Finding the Calendar
The calendar is located on your Course Home Page. To open, click the expand button to the right of the calendar date.

Viewing Events on the Calendar
Your instructor(s) may choose to post important dates to the calendar. The following explains how to find these events on the calendar:

1. Click a day on the calendar to view events. For example, if you want to view events for Thursday, November 8th, click 8.

2. The events for the day chosen will appear underneath the Calendar.
3. To enter the Calendar tool, click the drop-down arrow next to Calendar (See Figure 25).
4. Click Go to Calendar (See Figure 25).

Note: Any day that has an event on the calendar will have a blue dot under it.
5. The calendar will appear on your screen, showing events for the current date. To view events for a different date, select a day from the mini calendar to the right of your screen.

6. To change the view of the calendar, click any of the options shown.

7. Click the Course Home button in the Navbar to return to the Course Home Page.

Adding Tasks
D2L Brightspace allows you to post tasks to help you stay organized. Your tasks are only visible to you. To create a task:

1. Click the drop-down arrow next to Calendar (See Figure 29).
2. Click Go to Calendar (See Figure 29).
3. The Calendar Tool will open. Click Add a task....

![Calendar Tool](image)

**Figure 30 - Add a Task**

4. In the Add a task... field, type in a name for your task.

![Task Name](image)

**Figure 31 - Enter a Task Name**

5. Press the Enter key on your keyboard to confirm your task.

6. Click the task in the Tasks list to set a due date.

![Task](image)

**Figure 32 - Study for Exam Task**

7. Click No due date.

![Task Details](image)

**Figure 33 - No due date**
8. Enter a **date** when the task should be complete (See Figure 34).
9. Click the **Save** button (See Figure 34).

![Figure 34 - Click the Save button](image)

10. The task will be added and the due date will be set.

![Figure 35 - Task Added](image)

11. Click the **Course Home** button on the **Navbar** to return to your **Course Home Page**.

![Figure 36 - Return to Course Home Page](image)

**Email**

The *Email* tool can be used to send and receive emails within D2L Brightspace. This *Email* tool is separate from your student email account. The following explains more about using the email tool within D2L Brightspace:

**Opening Email**

The following explains how to open the email tool:

1. From the **Minibar**, click the **Email Alerts** icon (See Figure 37).
2. Click **Email** (See Figure 37).

![Figure 37 - Go to Email](image)
3. The D2L Brightspace Inbox will appear on your screen.

![Figure 38 – Email](image1)

**Reading Your Email Messages**

The following explains how to check your email messages:

1. If you are enrolled in multiple classes, you can use the **Filter By** drop-down to select the class of your choice.

![Figure 39 - Filter Emails by Course](image2)

2. If a number appears next to the *Inbox* folder, it will indicate the number of unread emails that you have received (The number next to *Inbox* indicates that there are unopened emails).

![Figure 40 - Inbox Folder](image3)
3. To open the email, click the **subject** of the email.

4. The message will appear on your screen below your *inbox*.

![Figure 41 - Click the Subject of the Email](image)

![Figure 42 - Message Preview](image)

**Sending an Email to your Class through the Classlist**

When sending emails, it is recommended that you utilize the *Classlist*. The following section walks through how to email from the *Classlist*.

1. From the *Course Home* page, click **Classlist**.

![Figure 43 - Click Classlist](image)
2. The Classlist will appear. Click **Email Classlist**.

![Image of Email Classlist page]

Figure 44 - Emailing the Classlist

3. You will be taken to the **Email Classlist** page. Click **Send Email**, located on the bottom of the page.

![Image of Send Email button]

Figure 45 - Click Send Email

4. A window will appear where you can compose your message. By default, your class will appear in the **Bcc** field.

![Image of Compose New Message with Bcc field selected]

Figure 46 - The Bcc Field

5. After you have composed your message, click **Send**.

![Image of Send button]

Figure 47 - Click Send
Sending an Email to One or More people
D2L Brightspace gives you the ability to send an email to one or student or a group of students.

1. From the My Home Page, click the Course Selector.

![Course Selector](Image)

Figure 48 - Click the Course Selector

2. Select the course that contains the people who will be receiving your email message.

![Selecting Your Course](Image)

Figure 49 - Selecting Your Course

3. Click Classlist.

![Click Classlist](Image)

Figure 50 - Click Classlist

4. You will see a list of people in your class. Click the checkbox next to the person(s) whom you wish to message.

![Selecting a student(s)](Image)

Figure 51 - Selecting a student(s)
5. Click the **Email** button.

![Email Button](image)

*Figure 52 - Click the Email Button*

6. A window will appear where you can compose your message. By default, people that you selected will appear in the **Bcc** field.

![Compose New Message](image)

*Figure 53 - The Bcc Field*

7. After you have composed your message, click the **Send** button.

![Send Button](image)

*Figure 54 - The Send Button*
Content

The Content tool is where you will find course materials such as the syllabus, lecture slides, assignments, etc. The following explains how to use the Content area:

Accessing and Viewing the Content Area

Below is an overview of the Content tool in D2L Brightspace. When clicking Content on your Minibar for the first time, you will be taken to the Table of Contents.

1. **Top-Left Sidebar** – Access the course overview, topics you have bookmarked, and upcoming events (See Figure 55).

2. **Course Schedule** – A new feature in D2L Brightspace. With Course Schedule, you can view your upcoming events, a full schedule of events as well as overdue items (See Figure 55).

3. **Modules** – Allows you to view the modules and topics associated with the course (See Figure 55).
4. A **checkmark** means that all topics within a module are completed (See Figure 55).

5. The **number** next to each module heading indicates the number of incomplete items there are within that module (See Figure 55).

6. **Course Topics** - Click a course topic to view its contents (See Figure 55)
7. **Completion Tracking** - Shows an overview of your progress for the selected module (See Figure 55).
8. A **checkmark** beside a topic indicates that you have completed it (See Figure 55).
9. A **dot** beside a topic indicates that it has not been completed yet (See Figure 55).

![Figure 55 - Course Content]
Accessing the Course Schedule

D2L Brightspace provides a more robust tool allowing you to view events related to your course. With the Course Schedule, you may access a list of upcoming events, a full schedule of events, as well as a list of overdue items linked to your D2L Brightspace content. The following explains how to access your course schedule:

1. From Contents, click Course Schedule.

   ![Figure 56 - Click Course Schedule](image)

2. You will be taken to the Course Schedule.

   ![Figure 57 - The Course Schedule Page](image)

3. To view Upcoming items, click the Upcoming tab.
4. To view a Full Schedule of events, click Full Schedule.

Figure 59 - Click Full Schedule

Accessing Content Materials
The following explains how to access your content material that has been provided by your instructor:

1. From Contents, click a Module to view the topics.

Figure 60 - Accessing Modules

2. Click a topic to view its contents.

Figure 61 - Viewing Topics

3. Once you have completed all topics within a module, a checkmark will appear next to the module heading within the Table of Contents.

Figure 62 - Completed Topics
Navigating within a Topic
Once you access a topic, there are several navigation buttons that you will encounter while viewing a topic.

1. **Breadcrumb Trail** - Move backwards to the Table of Contents (See Figure 63).
2. **Slide Out Panel** - Select the slide out panel tab for access to the Table of Contents (See Figure 63).
3. **Bookmark** - Bookmark the content displayed on the screen (See Figure 63).
4. **View Content in New Window** - Opens the content in a new window (See Figure 63).
5. **Arrow buttons** - Move through topics using the arrow buttons (See Figure 63).

![Figure 63 - Navigating within a Topic](image)

**Note:** Additional navigation options are available within the Slide Out Panel (See Figure 64).

1. **Table of Contents** - Go to the Table of Contents (See Figure 64).
2. **Navigation Arrows** - Moves backwards/forwards through the modules (See Figure 64).
3. **Slide Out Panel Tab** - Closes the Slide Out Panel (See Figure 64).

![Figure 64 - Slide Out Panel Navigation Buttons](image)
The Content Browser
Another place where you can find the content for your course is in the Content Browser. Simply click the folders in the Content Browser to access the various course content.

Assignments
The Assignments tool allows you to submit assignments to your instructor. The following explains how to use the Assignments tool:

1. Click Assignments from the NavBar.

2. The Assignments tool will appear on your screen.
Submitting an Assignment
The following explains how to submit an assignment:

1. In the Assignments tool, click the assignment that you are ready to submit to your instructor.

   ![Figure 68 - Click the Assignment](image)

2. Click Add a File.

   ![Figure 69 - Click Add a File](image)

3. The Add a File window will appear. Click My Computer to upload a file from your computer.

   ![Figure 70 - Click My Computer](image)

4. In the Drop files here section, click Upload.

   ![Figure 71 - Click Upload](image)
5. The **File Upload** window will appear. Navigate to and click the **file** that you wish to upload.

![Figure 72 - Click the file you wish to upload](image)

6. Click **Open**.

![Figure 73 - Click Open](image)

7. The file is now ready for upload. Click **Add** in the **Add a File** window to add your file to your assignment.

![Figure 74 - Adding a File to the Assignments Tool](image)

8. Your file will be ready to upload. If desired, enter any comments about the assignment in the **Comments** field (See Figure 75).

9. Click the **Submit** button to submit the assignment and comments to your instructor (See Figure 75).

![Figure 75 - Submitting Comments and Assignment](image)
10. The *File Upload Results* window will appear on your screen indicating the status of your submission. Click the **Done** button to return to the *Assignments Folders* screen.

![Figure 76 - File Upload Results](image)

**Submission History**

The following explains how to review the submission history in the *Assignments*:

1. In the *Assignments* area, click **View History**.

![Figure 77 - View History](image)

2. Select the **Folder** of your choice (See Figure 78).
3. Click **Apply** (See Figure 78).

![Figure 78 - Select an Assignments Folder](image)
4. Information about the submitted file(s) will appear on your screen.

![Figure 79 - Information about Submitted Files](image)

**Instructor Feedback**

The following explains how to review instructor feedback for assignments that you have submitted to the **Assignments**:

1. In the **Assignments Submission Folders**, if feedback is available from your instructor, the **feedback** icon will appear. Click **View** to view any feedback from your instructor.

![Figure 80 - Click View](image)

2. The **View Feedback** window will appear. Any feedback from your instructor, and/or files returned will be displayed here. Click **Done** to return to the **Assignments Submission Folders**.

![Figure 81 - Feedback Window](image)
Discussions
The *Discussions* area allows you to participate in discussions with other people in your class. The following explains how to *Read, Post, and Reply* to messages:

Accessing Discussions
The following explains how to access the *Discussions* area in D2L Brightspace:

1. Click **Discussions** in the **NavBar**.

   ![Figure 82 - Discussions](image)

2. The *Discussions List* will appear on your screen. The *Discussions List* consists of *Forums* and *Topics*. Forums organize discussion topics into categories (See Figure 83).

3. *Topics* are where students will start new threads (or conversations) and reply to existing threads (See Figure 83).

   ![Figure 83 - Discussions List](image)

Creating a Message
The following explains how to create a thread in the *Discussions* area:

1. In the *Discussions* area, click the **Topic** where you want to create a thread for others to read.

   ![Figure 84 - Create a Posting in a Topic](image)
2. Click **Start a New Thread**.

3. Type the **Subject** of your thread in the **Subject** field (See Figure 86).
4. Type the **body** of your thread in the **body** field (See Figure 86).
5. Click **Post** to post your thread (See Figure 86).

---

**Reading and Replying to Discussions Posted by Others**

The following explains how to read and reply to messages posted by other people in the class:

1. From the **Discussions list**, click the **topic of your choice**.
2. If there is a message that you would like to respond to, click the **Subject** of the message.

![Figure 88 - Respond to a Message](image)

3. The *topic* will open and display all threads in the topic. To reply to a thread, click **Reply to Thread**.

![Figure 89 - Reply to Thread](image)

4. A window will open for you to type your reply. Enter your text in the *text field* (See Figure 90).

5. Click **Post** (See Figure 90).
Quizzes
The following explains how to access quizzes in D2L Brightspace:

Taking a Quiz
1. From the Course Homepage, click Quizzes on the NavBar.

![Figure 91 - Quizzes on the NavBar](image1)

2. The Quiz List will appear. From within the Quiz List, click the quiz that you want to open.

![Figure 92 - Quiz List](image2)

3. Thoroughly read the instructions on the screen and then click Start Quiz! to begin.

![Figure 93 - Read Instructions and Start Quiz](image3)

4. The quiz will display in your web browser.

![Figure 94 - Quiz Displayed](image4)
5. As you take your quiz, your answers will be auto-saved.

![Figure 95 - Answer Questions and Save](image)

6. When you are finished taking the quiz and want to submit your answers, click **Submit Quiz**

![Figure 96 - Finished with Quiz](image)

7. The *Quiz Submission Confirmation* window will appear. Click the **Submit Quiz** button to submit your answers.

![Figure 97 - Submit Quiz](image)
**Note:** If you attempt to submit a quiz that has unanswered questions, a warning message will appear. Links to the unanswered questions will appear below the message. Clicking these links will return you to the unanswered question. If you wish to submit the quiz however, click **Submit Quiz**.

![Warning - Unanswered Questions](image)

**Figure 98 - Warning - Unanswered Questions**

8. Click **Done**.

![Quiz Submission Confirmation](image)

**Figure 99 - Quiz Submission Confirmation**

**Information on Timed Quizzes**

Most instructors will set a time limit for quizzes. If your quiz has a time limit, it will be displayed at the top of your quiz with the **Time Limit**, followed by the **Time Left**. Please be aware of the following:

![Timed Quizzes](image)

**Figure 100 - Timed Quizzes**
• Some quizzes that have a time limit set up and will result in a score of **zero points** if the quiz is submitted after the time limit.

![Figure 101 - Zero after Time Limit](image1)

• Some quizzes that have a time limit have been set up to **prevent** you from continuing your quiz after the time limit. Only the questions that you have saved will be submitted (questions that you have not saved will be not be submitted).

![Figure 102 - Prevent Continuation of Quiz](image2)

### Respondus Lockdown Browser

Some instructors may have you take the quiz using **Respondus Lockdown Browser**. When you access a quiz with **Lockdown Browser** enabled, the **Quiz Requirements** section on the instructions screen will inform you that **LockDown Browser** is required. More information on downloading the browser can be found in the **Respondus LockDown Browser for D2L Brightspace – Student Guide**, located on the UITS documentation center at [http://uits.kennesaw.edu/cdoc](http://uits.kennesaw.edu/cdoc).

![Figure 103 - Respondus LockDown Browser enabled quiz](image3)
Reviewing Your Quiz Results

The following explains how to review your quiz results:

1. From within the Quiz List, click the drop-down arrow next to the Quiz you want to review.

   ![Figure 104 - Quiz List - Drop-down](image)

2. Click Submissions.

   ![Figure 105 - Quiz Submissions](image)

3. The results will appear on your screen.

   ![Figure 106 - Quiz Results](image)

   **Note:** Be aware that the quiz results only appear when they are released by your instructor, so your results may not be available immediately after taking the quiz.

Checking Grades

The following explains how to check your grades in D2L Brightspace:

1. Click Grades in the NavBar.

   ![Figure 107 - Grades on the NavBar](image)
2. The Grades window will appear on your screen.

![Grades Window](image)

**Figure 108 - Grades**

**Note:** The Final Calculated Grade area will not appear until your instructor releases this information. Often, this information will not be released until the end of the term.

**Groups**

Your instructor may place you in a group or ask you to sign up for a group. The following provides you with information about groups in D2L Brightspace:

**Finding your Group**

The following explains how to find your group:

1. Click the Other drop-down menu on the NavBar.

![NavBar with Other Option](image)

**Figure 109 - Other**

2. From the drop-down, click Groups.

![Groups Menu](image)

**Figure 110 - Accessing Groups**
3. Under the *Groups* column, you will see the group that you have been assigned to in the class. In the *Members* column, you will see how many people are in your group. If your group has been assigned its own *Assignments*, *Discussion board*, and/or *Locker*, they will also be displayed.

![Groups you are assigned to](image1)

**Figure 111 - Groups you are assigned to**

4. To see the members of your group, click the **number** under the *Members* column.

![Viewing Group Members](image2)

**Figure 112 - Viewing Group Members**

**Enrolling in a Group**

The following explains how to enroll into a group in D2L Brightspace:

1. Click the **Other** drop-down menu on the *NavBar*.

![Other](image3)

**Figure 113 - Other**

2. From the drop-down, click **Groups**.

![Select Groups from Other](image4)

**Figure 114 - Select Groups from Other**

![Choose Group Page](image1)

**Figure 115 - Choose Group**

4. The Choose Group page will appear. A list of available groups will be displayed, along with the number of students currently enrolled in that group. Click Join Group next to a group to enroll in that group.

![Enrolling in a Group](image2)

**Figure 116 - Enrolling in a Group**

**Locker**

The Locker Tool provides 1 GB of private storage space within D2L Brightspace for students. Files stored in the Locker cannot be accessed by other students or your professor, unless stored in a shared group locker.

**Accessing the Locker Tool**

The following explains how to access the locker tool:

1. Access the Locker tool by clicking on the Other tool on your course Navbar.

![Access My Home from the MiniBar](image3)

**Figure 117 - Access My Home from the MiniBar**

2. Click the Locker tool.

![Accessing Locker from your Settings](image4)

**Figure 118 - Accessing Locker from your Settings**
3. The first time you access the Locker, it will be empty. You can Upload Files (a) from your computer, create a New File using an HTML editor (b), or create a New Folder to organize your files (c) (See Figure 119).

![Figure 119 - Locker](image)

**Upload Files to the Locker**

Use the Upload Files option to upload files to D2L Brightspace directly from your computer or USB drive.

1. After accessing the Locker, click **Upload Files**.

![Figure 120 - Upload Files to Locker](image)

2. Click the **Upload** button.

![Figure 121 - Upload from Computer](image)

3. Double click the **file** you wish to upload.

![Figure 122 - Select a File from your Computer](image)

4. Click the **Save** button.

![Figure 123 - Save Upload](image)
Create a New File
Use the New File function to create a new HTML document in your locker:

1. From the Locker tool, click the New File button.

![Figure 124 - New File](image)

2. The New HTML File window will appear. In the File Name field, type a name for your file.

![Figure 125 - Name your file](image)

3. Type your text in the Edit Contents box and use the tools to create the content for your HTML file (See Figure 126).

4. Click the Create button. Your HTML file will be created in your Locker (See Figure 126).

Download Files from the Locker

The following explains how to download files from the Locker in D2L Brightspace:

1. Access the **Locker** tool from your **Homepage** in D2L Brightspace (See **Accessing the Locker Tool**).
2. Click the **name of the file** you want to download.

![Figure 127 - Download Files from Locker](image)

3. To download multiple files, check the **box** next to the files to download (See Figure 128).
4. Click the **Download** button (See Figure 128).

Attach a File from the Locker

After uploading or creating a file in the locker, you then attach the locker file to an **Assignments** submission or a **Discussion** post. The following shows how to attach a locker file to an Assignments submission:

Adding a File to an Assignments Submission Folder

1. Access the **Assignments Submission Folder** where you need to submit your file.

![Figure 129 - Assignment Submission Folder](image)
2. Click Add a File.

![Add a File](image)

Figure 130 - Add a File

3. The Add a File window will appear. Click My Locker from the left side of the window.

![Add a File: My Locker](image)

Figure 131 - Add a File: My Locker

**Note:** If you have a group locker, you can also access files from it by selecting Group Locker.

4. Your Locker will appear, displaying all files currently contained within. Click the checkbox next to all the files you want to submit (See Figure 132).

5. Click the Add button (See Figure 132).
6. You will be returned to the *Assignments* folder. Click **Submit** to submit the assignment.

**Figure 133 - Submit File through Assignments**

**Adding a File to a Discussion Thread**

1. Either create a new *Discussion Thread*, or reply to an existing *Discussion Thread*.
2. Click **Add Attachments**.

![Add Attachments](image)

**Figure 134 - Add Attachments**

3. **Add Attachments** will expand to show a list of options. Click **Choose Existing**.

![Add Attachments: Choose Existing](image)

**Figure 135 - Add Attachments: Choose Existing**

4. The *Add a File* window will appear. Click **My Locker** to view the contents of your locker.

![My Locker](image)

**Figure 136 - My Locker**
5. Click the **checkbox** next to all the files you want to submit (See Figure 137).
6. Click the **Add** button (See Figure 137).

![Figure 137 - Add a File: Add Button](image)

7. You will be returned to the **Discussion post**. Click **Post** to post your discussion and files.

Group Lockers
Use the Group Locker to share files with your group members. However, there is some important information regarding Group Lockers:

- Group lockers are limited to 200 MB of storage space.
- Anything uploaded to the group locker area can be viewed by your instructor(s).
- The Group Locker feature is only available when configured by your instructor.

Accessing the Group Locker
The following explains how to access Group Lockers in D2L Brightspace:

1. In D2L Brightspace, access the course where you will be working with a group.

   **Note:** The Group Locker is not available from the My Home page; it is only available from within the course where the group locker is active.

2. Click the Other drop-down menu on the NavBar.

3. From the drop-down, click Groups.

4. The Groups page will appear, displaying the group you are currently enrolled in. Under the Locker column, click Group Files for your group.

   **Note:** If you are enrolled in multiple groups with lockers, you will receive a list of groups. Click the name of the group to select it.
5. Your group locker will open and display any files currently available to your group. From here you can *Upload Files*, create *New Files*, *Download* files, or *Attach Files* from the group space, as described in the *Locker* section.

**Figure 142 - Group Locker**

**Logout**

To log out of D2L Brightspace when you are finished using the application:

1. Click the **User Settings** button, located on the **Minibar** (See Figure 143).
2. Click **Logout** (See Figure 143).
