

## How to Use Films on Demand in D2L Brightspace

GALILEO Films on Demand allows faculty to search for Films on Demand videos from within D2L Brightspace and embed them in courses. Films on Demand offers thousands of videos in science, humanities, social sciences, business, health, and careers. Films on Demand videos can be inserted in D2L using the *Insert Stuff* button.

**Note:** Students will not be required to log in again to view these videos.

Follow the steps below to search for Films on Demand Videos and embed them in your course content:

1. In D2L Brightspace, navigate to your course.
2. Click **Content** (See Figure 1).

Figure 1 - Content

3. Select a **module** or create a new one (See Figure 2).
4. Click the **Upload / Create** button (See Figure 2).
5. Click **Create a File** from the drop-down menu (See Figure 2).

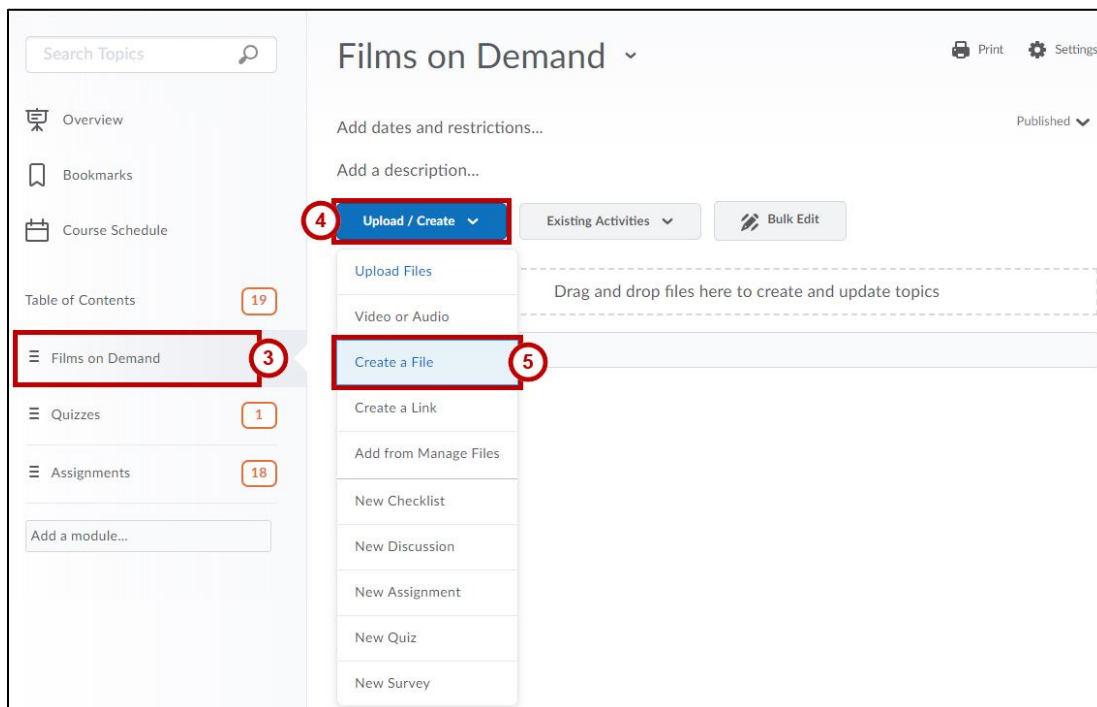

Figure 2 - Create a File

6. Enter a **Title** (See **Figure 3**).
7. Within the Text Editor, click the **Insert Stuff** button on the toolbar (See **Figure 3**).

Figure 3 - Insert Stuff

8. From the *Insert Stuff* pop-up window, click **Films on Demand**.
